

African Black Soap

If your skin longs for a deep, and nourishing cleanser, one that won't dry or strip natural oils, then African Black Soap exclusively created for Nabila K, is the answer.

Originating in Africa, black soap recipes have traditionally been passed down in families for generations and the ingredients such as plantains, cocoa pods, and shea tree bark can vary from one region to the next.

Appreciated for having skin nourishing benefits due to a myriad of antioxidants, African Black Soap also has natural sources of vitamins A, E, and iron. Among the skin concerns, it is used to help heal are dry and irritated skin and acne.

It is additionally used to even and tone skin texture.

Nabila K offers African Black Soap in both liquid soap and bar soap which can be used as a daily face and body wash, shampoo and shaving cream.

Pamper yourself with the gentle aromas of African spices.
A delightful soap, with a lovely history.

“What comfort there is in the skin of someone you love!”
– Erich Maria Remarque
